

**Guidelines for Nursery Usage on
Tuesday or Wednesday Evening**
(08/2004)

On Tuesday and Wednesday evenings the PABC Nursery is open for use by parents who are ministering or being ministered to for the following reasons:

Family Life Groups
Choir/Praise Team
Children's Choir
Divorce Recovery
One-on-One Ministry
Ladies Ministry

Leaders of groups in these particular areas must be under the support of an Elder and/or a PABC Department Head. For example—FLG's must have an approval from Darko Kreiner or Shepherding Elder; One-on-One Ministry times must have the approval of the Ministry Mobilization Director; Bible Studies require the approval of Mike Mahan, Minister of Education.

A Nursery Request Form must be filled out listing the children to whom we, the Nursery, will be responsible which requires the signature of the Elder, Department Head or Lay Leader.

Every six months the Nursery needs an updated list of the families/children participating in these functions. Once a year the leader/facilitator must acquire the signature of the Elder, Department Head or Lay Leader to continue to have use of the Nursery.

Thank you again for holding to these guidelines as we continue to meet the needs of the Body here at Park Avenue.
