

Guidelines for Nursery Usage
On Monday/Wednesday/Friday Mornings
(8/2004)

On Monday/Wednesday/Friday mornings the PABC Nursery is available for use by parents who are ministering or being ministered to for the following reasons:

Family Life Groups
Bible Studies
One-on-One ministry
Ladies Ministry/Titus II

Leaders/facilitators of groups in these areas must be under the support of an Elder and/or a PABC Department Head. For example—FLG's must have an approval from Darko Kreiner; One-on-One ministry/Ladies Ministry times must have the approval of the Ministry Mobilization Director or a Counseling Head; Bible Studies require the approval of Mike Mahan, Minister of Education.

A Nursery Request Form must be filled out listing the children to whom we, the Nursery, will be responsible which requires the signature of the Elder, Department Head or Lay Leader.

Every six months the leader/facilitator must provide an updated list of families/children participating in these functions. Once a year the leader/facilitator must acquire the signature of the Elder, Department Head or Lay Leader to continue to have use of Nursery.

Thank you for holding to these guidelines as we continue to meet the needs of the Body here at Park Avenue.
