

The prayer summit will be led by...

Daniel Henderson, founder of Strategic Renewal Ministries and is open to men and women from churches all over Central Florida and the surrounding southeast region.

After spending 25 years in rewarding full-time pastoral ministry, Daniel now serves as Pastor of Prayer and Renewal at Thomas Road Baptist Church and is teaching part-time at Liberty University.

For those who do not know Daniel yet...

Dr. Tim Lahaye, Minister & Author writes, "As a minister for over sixty years, I have known the challenge of trying to sustain prayer meetings and facing frustration and guilt. Daniel provides a positive and practical path back to the heart of what God intended prayer to be."

Dr. Bob Bakke, North American Director of the Global Day of Prayer writes, "Daniel is rare. He is a gracious leader in love with God and God's people."

Dave Butts, America's National Prayer Committee, Chairman writes, "No one ever leaves a Daniel Henderson-led prayer meeting bored."

Evelyn Christenson, Speaker & Author writes, "Incredible profound prayer strategy inspires the heart, not just the head. No matter where you and I are in our prayer journey, God always has something creative to add. Perhaps here it is for you."

Dr. Paul Cedar, Mission America Coalition, wrote, "Daniel Henderson is a man of prayer and a pastor who has effectively encouraged and enabled his people to pray."

This is a wonderful opportunity for pastors to bring your leaders and prayer teams. Prayer teams, bring your pastor!

Central Florida Regional Prayer Summit

November 19 - 21, 2009

Titusville, Florida

A Prayer Experience that Equips You to Lead Corporate Prayer

You are invited...to gather for a regional prayer summit retreat, with others who want to lead their churches to pray more effectively and with more passion.

This is an opportunity to obtain the skills that build corporate dependence and God-focused praying.

Prayer Summits have profound power to transform the spiritual culture of a congregation. God will use this watermark experience in prayer to equip you to take prayer to the next level in your own church.

The Prayer Summit combines the uniqueness of "Spirit-led, worship-fed, corporate-bred prayer" and at the same time provides training opportunities for reproducing it in your own congregation.

The goal?
To equip you as a leader in your local setting.

A Prayer Summit...is not like a conference where you pick and choose which seminars and workshops to attend where your primary interest is what you take away from it.

Rather, there is a flow in a Prayer Summit from session to session and participants are not just receivers but contributors as well.

Expect to be equipped... to lead corporate prayer for large or small groups in a new and spiritually satisfying manner.

It is time the vision-casting, sermon-preaching, goal-setting, decision-making leaders of Christ's congregations increase their prayer leading capacity.

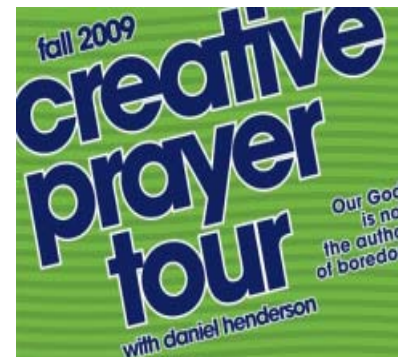

It is time to swim in deeper water.

The Prayer Summit is associated with the "2009 Creative Prayer Tour"... calling area churches to come together for one night for a fresh awakening and anointing of prayer and God's power for the body of Christ. The Central Florida Regional event will be held in Titusville!
